WILLIAMS FIELD 2020-21 SPECTATOR PROTOCOL FOR SOFTBALL

ALL GUESTS:

By accepting complimentary admission to an EIU event, all guests understand and agree to:

- 1) Abide by all EIU campus policies (COVID-19 safety measures, no smoking, no prohibited items, etc.).
- 2) Wear a mask, covering their nose and chin, at all times.
- 3) Park in the W-Lot (see map below). The gate will open 1 hour before the game.
- 4) There will not be a pass list. **Thirty-eight (38) bleacher seats** are available on a first come, first served basis (6 feet between single pods). **Spectators are encouraged to bring their own chair for guaranteed seating and/or if members of the same household wish to fit within 6 feet of each other.** Lawn chairs may be physically-distanced along the field's outside perimeter.
- 5) Spectators may not sit or congregate around the press box.
- 6) Guests are asked to maintain social distance from Tier 1 individuals (student-athletes, coaches, staff, etc.) *after* the game. This will help limit the team's potential exposure to COVID-19 and increase their chances of staying healthy and completing their season.
